

Welcome to grades 4-6 at Sandy Lake Academy!

Thank you for choosing to send your child to Sandy Lake Academy for the 2023-24 school year. We are looking forward to working with you and your child in reaching their full potential. We will have many wonderful experiences and opportunities to learn and grow in the days ahead. As you are looking ahead to September please keep in mind the following things:

On the First Day of School Everyone Needs to Bring:

- ✓ 2 boxes of zip-lock type bags. One medium and large
- ✓ 1pkg each plastic forks and spoons for emergencies (please still send in lunchbox when needed)
- ✓ 1 roll of paper towels
- ✓ 1 container disinfecting wipes
- ✓ White or non-marking soled indoor shoes that are to be left at school. Non-marking soled indoor gym shoes are also required for the gym (these can also be used as the indoor classroom shoes if desired)
- ✓ Set of earbuds in a small case that seals for our Math and Language Arts Program
- ✓ (Grade 5 & 6 only) Combination lock for locker, preferably not the dial kind as these are difficult for students to learn how to use.

All other classroom supplies are covered by your school supply fee.

Uniforms: Be prepared to send your child in a full SLA uniform including PE uniform.

Microwave Use: We have a small microwave for students to heat up lunches. Please note that there is a 1 minute time limit per student so certain items like Mr. Noodles are not appropriate. Frozen microwave dinners should be defrosted in the fridge the night before. An insulated thermos is also a great alternative for sending hot items.

See you all on September 5th, 2023.

Sincerely,

Mrs. Slaunwhite (4/5) and Mrs. Walker (5/6)
