

# Grades 7-8 Supply List

Sandy Lake Academy 2024-2025

Dear Students and Parents,

I am looking forward to having the classroom filled with all of you soon. I hope you are having a fantastic summer. The stores are now starting to be filled with school supplies, how exciting! Don't get too excited however, make sure to shop reasonably. Here are some items that you will need for a successful year in grade 7 & 8. Many of these items you may already have at home from previous years, that is great. It would be wise to label supplies (such as calculator, geometry set, and uniforms ) with your name in the case they ever get misplaced. This way they can find their way back to you! Please have these items on the first day of school, **Tuesday, September 3rd.**
